Your Vernon Area Public Library card gives you open access to books, movies, music, and magazines on the shelves and on a variety of free apps; technology like telescopes and e-readers; and premium online resources like Tutor.com, PressReader, and Mango Languages. Apply today at the Checkout Desk or at [vapld.info/library-cards](http://vapld.info/library-cards).

## Library assesses its facilities

As the main library building nears its 25th anniversary, library administrators are looking to the next 25 years and beyond to maximize library benefits for everyone.

This summer an independent contractor analyzed library operations to identify physical changes that would streamline operations, improve service, increase efficiency, or reduce costs. The results are now being compiled into an assessment to help guide decisions about the main building, annex, parking lots, grounds, and major systems.

Your input will be needed, too. Watch for an announcement about public focus groups later this fall or sign up at [vapld.info/subscribe](http://vapld.info/subscribe) (select "Adults" from the menu) to get library news and receive an invitation in your email inbox.

## Stay up to date

The library sends out occasional emails highlighting services, collections, and events by interest area. Select what's relevant to you at [vapld.info/subscribe](http://vapld.info/subscribe). We promise not to overwhelm your inbox!
